A BETTER WAY TO CHECK ID

SAVE TIME AND GET TO KNOW YOUR CUSTOMERS

Scan any domestic driver's license, government issued ID, or global passport instantly—saving your team and your customers precious time.

PUT A TRUSTED SOLUTION IN YOUR TEAM'S HANDS

Developed by industry veterans to keep out troublemakers and remain compliant, NightKey Mini removes the need for paper-based or QR code systems that let people provide false details and misuse personal data.

SCALABLE AND COST EFFECTIVE

With a low price point, fast delivery, and setup in just minutes, you can meet your needs today with room to grow tomorrow by scaling to the full size Nightkey in the future.

KEEP YOUR VENUE SAFE AND CUSTOMERS COMING BACK

Identify the people involved in a security incident and make sure they're not allowed in again, so the rest of the crowd feels safe.

COVID-19 COMPLIANT

NightKey Mini makes contact tracing easy. Keep track of who's been in your facility and when. Notify impacted customers instantly if a health issues arises, and keep a clean audit trail for government agencies.

PUT CUSTOMERS IN CONTROL OF THEIR DATA

Trust is vital to earning loyalty. Unlike other identity management systems, we never sell your customers' information and anyone who hasn't been banned can remove themselves.
